**CENTURY  
CP PRODUCTS**

Products with the American Flag are proudly manufactured in the United States

**DID YOU KNOW?** Polyethylene pipe was developed in the early 1950's by Phillips Petroleum Company. Polyethylene is chemically inert, flexible and impact resistant over a large temperature range (-180F to 260F). It is UV protected by finely divided carbon - the most effective single additive for weathering properties.

FINALLY A FEEDER THAT'S BUILT  
**“BULL TOUGH”**

OUR FEEDERS ARE BUILT WITH POLYETHYLENE, WHICH IS LIGHTWEIGHT YET, EXTREMELY TOUGH AND DURABLE. IT IS PROTECTED FROM WEATHERING DAMAGE CAUSED BY THE SUNLIGHT'S ULTRAVIOLET RAYS WITH FINELY DIVIDED CARBON BLACK AND THE LIFE EXPECTANCY IS CONSERVATIVELY, IN EXCESS OF 50 YEARS.

# ORIGINAL

## CENTURY LIVESTOCK FEEDERS

LIGHTWEIGHT, YET

# WARRANTY

## 7-YEAR LIMITED WARRANTY

Century Products, LLC. warrants its Hay Feeders in their original condition to the original purchaser only, for normal use and service for seven years from the date of purchase, against defects in materials in workmanship. Only Century Products, LLC. is authorized to make any representation to the purchaser concerning the normal use and service for its products as described in this brochure, or in authorized printed materials or stickers affixed to a product.

The limited warranty stated above is the exclusive warranty given by Century Products, LLC. to the original purchaser of any Hay Feeder, and Century Products, LLC. disclaims any other warranties. There are no other warranties, either expressed or implied, including any warranty of merchantability, fitness for a particular purpose, or arising from course of dealing or trade usage.

Any alteration or modification of any Century Products, LLC. product by any person is an unauthorized misuse of the product, resulting in the limited express warranty being void and thereby releasing Century Products, LLC. from any and all liability for injury or damages resulting from any use of the product.

Century Products, LLC's liability for any product defect or claim for injury or damages is limited to repair or replacement, or payment of the reasonable cost of repair or replacement, at Century Products, LLC's sole discretion F.O.B. Ponca City, Oklahoma. Century Products, LLC shall not be liable in any event for consequential or other special damages under any theory of strict liability or negligence, except as expressly required by law.
